

PReMI'25

11th International Conference on Pattern Recognition and Machine Intelligence

December 11-14, 2025

Organized by

Dept. of Electrical Engineering, IIT Delhi, India

in collaboration with

Machine Intelligence Unit, Indian Statistical Institute (ISI), Kolkata, India

Call For Workshop Posters

Honorary Chairs

Prof. Sankar K. Pal,
(ISI Kolkata, India)
Prof. Andrzej Skowron,
(University of Warsaw, Poland)

General Chairs

Prof. Sudeep Sarkar,
(Univ. of Southern Florida, USA)
Prof. Santanu Chaudhury,
(IIT Delhi, India)

Program Chairs

Prof. Sushmita Mitra,
(ISI Kolkata, India)
Prof. B. K. Panigrahi,
(IIT Delhi, India)
Prof. Sriparna Saha,
(IIT Patna, India)

Organizing Chairs

Prof. Tapan K. Gandhi,
(IIT Delhi, India)
Prof. Indu Sreedevi,
(DTU, India)

International Liaisons

Prof. Dominik Ślęzak,
(University of Warsaw, Poland)
Prof. Sergei O. Kuznetsov
(Higher School of Economics,
Moscow, Russia)

Industry Chairs

Dr. Arpan Pal, TCS
Prof. Kaushik Saha,
(IIT Delhi, India)

Diversity Chair

Prof. Lipika Dey,
(Ashoka University, India)

Publication Chair

Prof. Sanjukta Roy
(ISI Kolkata, India)
Prof. Ayesha Choudhary (JNU, India)

Tutorial Chairs

Prof. Malay Bhattacharya,
(ISI Kolkata, India)
Prof. Monidipa Das,
(IISER Kolkata, India)

Startup Innovation Chair

Mr. Manoj Kumar, STM Electronics

Workshop Chairs

Prof. Sandeep Kumar,
(IIT Delhi, India)
Prof. Amrit Singh Bedi,
(University of Florida, USA)

Publicity Chairs

Prof. Somnath Dey,
(IIT Indore, India)
Prof. Saurabh Das,
(IIT Indore, India)

Objective: The primary goal of the conference is to provide a platform for presenting state-of-the-art scientific results, enabling academic and industrial interactions, and promoting collaborative research activities in Pattern Recognition, Machine Intelligence and related fields, involving scientists, engineers, professionals, academicians, and students. This premier biennial event is an ideal forum for people to share their views and experiences in the said areas. This is the eleventh conference of this series. Poster should be aligned with one of the workshop themes given below.

Topics:

- **Workshop on AI in Spatial Computing: AR/VR, Metaverse**
- **AI4SG: AI for Social Good**
- **Neuromorphic Computing for Edge Intelligence**
- **The Brain: Creativity and Decay Intelligent. Biomarkers Related to Aging and Diseases**
- **Machine Intelligence in Quality Assessment of Biomedical Data**
- **Graph Reasoning Unleashed: GNNs in LLMs, High-Order Inference, and Healthcare**
- **Research Challenges in Tiny Machine Learning Systems at Edge (RC-TMLSE)**
- **Quantum Computing and Quantum Machine Learning (QCQML)**
- **Multilingual Document Digitization For Indian Languages: Standards, Tools, And Trends (MDDIL)**

Presentation: All accepted posters will be presented during the Poster Session on the workshop day.

Points to be noted:

- We will require participant to upload title, abstract (150 words) and poster (PDF format).
- The recommended poster format is Portrait 24inches x 36inches.
- There is no PReMI Workshop 2025 poster template. Feel free to use your institution's template.
- Double sided adhesive tape and/or pins will be available in the poster area to put the posters on the panels.
- Participants will receive a **Certificate of Participation**.
- Participants are required to pay a registration fee of ₹5,000 to present their poster. This fee includes access to the conference for all four days (excluding the Registration Kit and Banquet Ticket).
- If you wish to receive the Registration Kit and Banquet Ticket, the total registration fee will be ₹8,000. Please pay the registration fee only after receiving the acceptance notification for your poster.

Please submit your posters via the official submission portal: [Link](#)
